Little Leaks Sink Big Ships

So do not be offended if we refuse to charge
anything to you, it is not because we do not
trust you. You may be better able to pay your
debts than we, but if we don't charge anything
to you, you can rest assured no one else can get
credit here—and here is where we stop the little
leaks, and it is not with your money that we have
to stop them. Whoever you run an account
with, in paying it you help stop the Little Leaks
by helping pay the other fellows debts. This is
the reason our prices are so much lower than
the other fellows.
